

Use the following chart to begin your study of praise in the Bible. Follow the pattern. Find the verse, explore how God is praised and then see if you can find an enemy that is defeated. As you move down the list, you will see some information is missing. Try to fill it in. Be sure to check the answers given. Do you agree with the enemy defeated or do you have your own thoughts? When it is blank all the way across, you need to find verse to study. Have fun!
